NEWS RELEASE

LEXINGTON RESIDENT, THOMAS P. FLANNERY, PH.D. APPOINTED TO BOARD OF DIRECTORS OF OPERATION ABLÉ

Senior executive brings expertise in governance, executive leadership, organizational structure, and compensation to Operation ABLÉ's Board.

Boston, Massachusetts, July 30, 2023: Thomas P. Flannery, Ph.D. of Lexington joins Operation ABLÉ Board of Directors. Tom has had an extensive career, spanning several renowned firms, including Korn Ferry and Mercer. He has advised numerous for-profit and not-for-profit organizations on governance, executive leadership, organizational structure, and compensation.

"We welcome Tom Flannery and are delighted to have his expertise for Operation ABLÉ and those we serve" - Lydia Green, Chair.

Operation ABLÉ, a leading workforce development organization empowering individuals through computer training and employment services, is pleased to welcome Thomas P. Flannery, Ph.D., to its Board of Directors. He has a proven track record of advising governing boards, enhancing executive leadership, and contributing to the field of compensation through extensive research and publications. Dr. Flannery's appointment brings significant expertise and a global perspective to Operation ABLÉ's commitment to empowering individuals and facilitating their career success.

About Operation ABLÉ

*Since 1982, Operation ABLÉ, Inc., a 501(c)3 organization, has provided job seekers with training programs and employment services. Our mission and passion are to empower our community of **job seekers, the underemployed, those in career transition, and military veterans** who need job support services to re-enter the workforce. ABLÉ is equally committed to serving Massachusetts and other New England employers by providing well-qualified candidates to meet their employment needs and by training employees to have the updated skills needed to be as productive as possible at their jobs.*
